2022 Bisol Crede Prosecco Superiore Valdobbiadene DOCG
85% Glera, 10% Pinot Bianco, 5% Verdiso.

The Bisol family brings over 500 years of winemaking experience to their Valdobbiadene Superiore DOCG Proseccos. 'Crede' means clay in the local dialect, which is a key feature of the best terroirs for making Prosecco.

Brilliant, straw yellow with green highlights. The perlage is fine and persistent. A fresh and elegant aroma from which the fragrance of wildflowers comes to the forefront alongside delicate nuances of apples and pears. The harmony of the bouquet is fully realized by the taste; a savory, rich, fine and versatile sip.

NV Jeio Prosecco DOC
At least 85% Glera

The Jeio line is inspired by the influential Desiderio Bisol, whose wife lovingly referred to him as Jeio. The father of the current owners, Desiderios is dedicated to product quality, acquiring only the steepest plots. While considerably more difficult to work, these plots are ideal for vine cultivation. As a result of his vision, the Glera cultivated in these vineyards is especially rich in malic acid, making the final wine more dynamic and evolved. Only the best Glera grapes are selected from Bisol's 35 plots in Valdobbiadene to make the highly aromatic Jeio Brut.

Brilliant, bright straw yellow with lime-green highlights, and it has a fine and lively perlage. Elegant and pleasant, with enjoyable fruitiness and nuances of fresh fruit, white flowers, and citrus fruit on the nose. Smooth, refined, and flavorful, staying true to the fruity notes in the bouquet.
