Château Sicot Crémant de Bordeaux Brut, France Colombard, Sémillon

This charming sparkling wine is a standout example of the appellation, crafted using a blend of Semillon and Colombard grapes from a small, family-run winery committed to organic farming and sustainability. The appearance is a delicate straw yellow, and on the nose, this Crémant reveals a bright bouquet of stone fruit, citrus, and a hint of toasted brioche. The palate echoes the nose with prominent notes of lemon, peach, and subtle layers of brioche, creating a beautifully balanced harmony of flavors. The fine bubbles and zero dosage lend to the wine's refreshing and crisp character, while the high clay-siliceous plateau terroir imparts a pleasant minerality. With a long, satisfying finish, the NV Château Sicot Crémant de Bordeaux is an exceptional expression of the region.
