### **Poderi Morini Morose Brut Rosé, Italy**

*100% Centesimino*

Cherry pink in colour, with fine and persistent perlage, it is a brut rosé sparkling wine with hints of wild strawberries, currants and wild rose. On the palate it is dry, with pleasantly acidic fruity notes.

Pair it with great fish dishes, such as a risotto with brodetto, or try it throughout the meal ... It will amaze you as only art can do.

The label is signed by Gianfranco Morini , known as il Moro, a ceramist from Faenza of great artistic inspiration.

### **Sartarelli Brut, Italy**

*100% Verdicchio*

This sparkling wine entirely made from strictly selected Verdicchio grapes is produced by using the long Charmat method (5-6 months of refinement).

Thanks to a prolonged period of refinement on the lees at the end of the fermentation process, its organoleptic characteristics are particularly noteworthy.

It is of a brilliant straw yellow color and has a bouquet of apple, fruit, lemon verbena, almond aromas and hints of yeasts. It has a fresh but not intrusive acidity, citrus fruit flavors, with a nice, fine persistent perlage.

Some tips on how to combine Sartarelli Brut with food, but please never forget to follow your own tastes and preferences!

A wine for appetizers and convivial dinners, it is perfect with fish starters as well as with salami appetizers and pizza al formaggio (special cheese pizza typical of le Marche), fresh mozzarella or mozzarella “in carrozza” (fried mozzarella), scrambled eggs with spring herbs.

Very good companion for the holidays, anniversaries, special occasions or for just chatting with friends. It is an ideal wine for party cheer!
